Your "WHY" ~ Your Vision

We want to help jump start your vision creation.
Here is some "Growth Work" to help you brainstorm.

What kind of difference do you want to make in the world? With whom?

What is your purpose?

What or who are you most passionate about serving/helping?

What is the long term vision of your company? Does it encompass just you?
How will you scale your business or future services?

When you find yourself in your “zone of genius” what are you doing?

What are your personal strengths?

What are your professional strengths?

What are your natural talents? What do others say your natural talents are?

What is your 100 year goal? What is the legacy you want to leave behind?
